Independent Living

At Mercy Village, our Independent Living apartments provide the ultimate in convenience and individualized services in a warm and friendly environment. We offer the best in life-enriching community activities and togetherness, while respecting individual privacy. Our residents can enjoy dining with friends, visiting with grandchildren, going on group outings, or just relaxing without the worries of maintenance. When you're ready to "right-size" your home into something equally comfortable and private, but far less demanding and with more social opportunities, consider our Independent Living apartments.

Assisted Living

At Mercy Village, our Assisted Living option provides all the benefits of senior living with 24/7 added support and assistance from our trained caregivers. Whether residents need help with day-to-day routines and activities, facilitating physician visits, or bringing a home health professional to their apartment for follow-up therapy, we focus on meeting their ever-changing needs. We honor and serve each resident with dignity and respect while creating a relationship-rich environment. Residents renting apartments at Mercy Village benefit from numerous services and amenities.

Memory Care

Residents in our supportive Memory Care neighborhood enjoy a high quality of life with care provided by our specially trained caregivers. We're committed to helping each resident live with dignity, integrity, comfort, and safety. As our residents' needs evolve, our plans of care advance with them. We also partner with families to help them remain active in the lives of their loved ones.

We understand the challenges in finding a caring environment for a loved one impacted by memory loss or Alzheimer's disease. At Mercy Village, we provide nurturing surroundings where residents experience an engaged and vibrant living environment. Mercy Village's licensed, all-inclusive Memory Care neighborhood offers residents amenities and activities to fit their specific needs.
